

COVID-19 PRECAUTIONS

Dear Customers,

Auto Spa Etc wants to assure you that we take the health and well-being of our community, customers, and associates very seriously. Like you, we are closely monitoring the quickly developing effects of the Coronavirus (COVID-19) pandemic, things are fluid and changing daily.

To help prevent the spread of COVID-19, we will practice social distancing. We have temporarily converted our full service car washes to exterior only car washes. Customers will not exit their vehicles at our sites, and therefore we will not be offering any interior services including vacuuming. Like many other businesses, we are taking these precautions to protect and care for those who work with us, our customers, and the public. We also understand the commitment of our club members and the trust they have in us. We are working on a process to extend or suspend their membership at no charge.

We are all in this together. We will continue to monitor the COVID-19 situation and will follow guidance from public health officials and government agencies, so we can continue to support our customers, employees, and communities as needed.

Thank you,
The team at Auto Spa Etc,
Locally owned and operated.
